PROJECT DESIGN CONTEST

INSTRUCTIONS AND JUDGING CRITERIA

INSTRUCTIONS:

1. Every project on display needs to have a working prototype.

2. For the competition, each team must register online at our website. The team will be given a Team ID at registration, which shall be used for future references.

3. The decision of the organizers or judges shall be treated as final and binding on all. STEPCONE is well within its rights to confirm the identity and authenticity of the information they have submitted.

4. STEPCONE, GMRIT will not be held accountable for any late, lost, or improperly directed entries.

5. Note that the website will always include the most recent information. However, any modifications to the Website will be communicated to registered participants by mail.

6. The formal means of communication will be through STEPCONE email.

TEAM SPECIFICATION:

The participating teams must consist of three to five members (1 girl participant is mandatory).

EVALUATION CRITERIA:

For evaluation, participants must receive scores of at least 50% for each of the following criteria. In total, 75% must be met in order to be eligible for the following round or prize.

Parameters	Description
Design and Methodology	How accurately the proposed work satisfies the given problem statement. Novelty in the methodology and how the chosen methodology outperforms other existing techniques.
Innovation	The prototype must be clever, innovative and its application should have strong impact on society.
Working and societal impact	Is it possible to apply the solution as described? Can it be repeated? Is the solution workable under various and changing circumstances? . What is the advantage to society? The size of the issues it can resolve, the complexity of the solution, and the total number of people it directly and indirectly benefits.
Presentation	How effectively you are presenting your project i.e., how you are explaining about your prototype, it may be working or construction or any other stuff related to that respective prototype.

CERTIFICATION:

A Certificate of Participation will be given to each contestant in the project design competition at STEPCONE 2023.

REGISTRATION FEE: 1500/- per Team

PRIZE MONEY: 40000/-

STUDENT COORDINATORS:

Bhavya Sai Cheruku 3rd CSE A

M. Vinay Kumar 3rd IT B

D. Aditya Ratnakar 3rd ECE A
